

OUR BIG NEIGHBORHOOD

All about your Culture Superhero

Getting to know our family, neighbors, and friends is an important part of being a good neighbor. Who are the superheroes in your life that you want to get to know more? How has their legacy impacted your life?

Find some time to sit down with a relative, friend, or neighbor and learn all about what makes them so special!

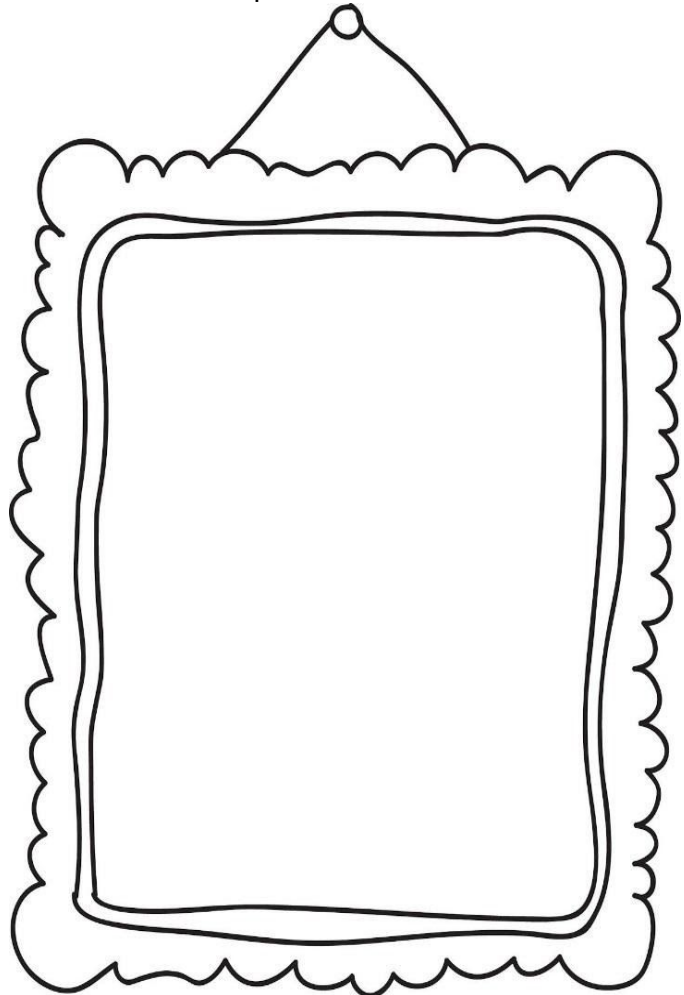

Who is your Cultural Superhero?

How do you know them?

What is one thing you have learned from your very important person?

How did they learn when they were little?
What was school like for them?

Draw a picture of them here:

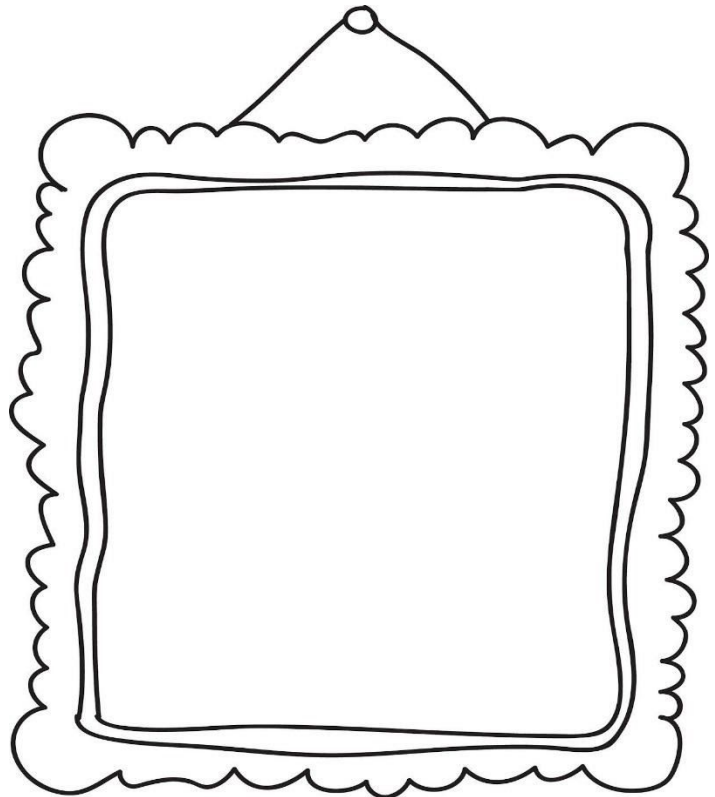

Where did they grow up? Was it a city, or a town?

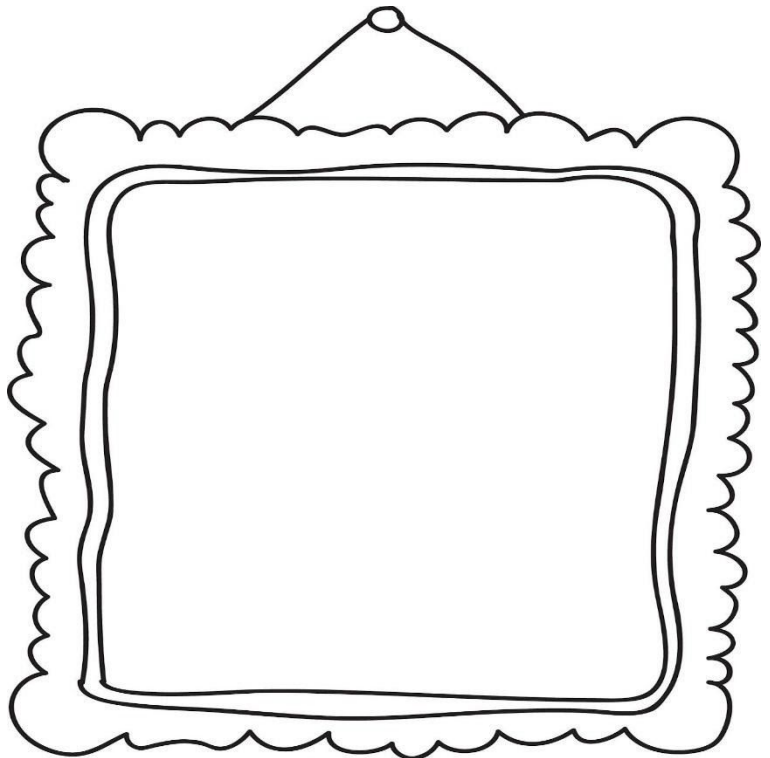

What did they like to do when they were your age?

What are some family traditions that are special to your very important person? Do you share some of those traditions still?

Draw a picture of what their neighborhood was like when they were little

Draw a picture of a celebration that your superhero remembers

For the grown ups: if you would like to participate in the Northwest Folklife Living Legacy project, please visit <https://www.nwfolklife.org/livinglegacies/> for more information. Thank you for being a part of Our Big Neighborhood!
